# Nelson Family Legacy

1979

1988

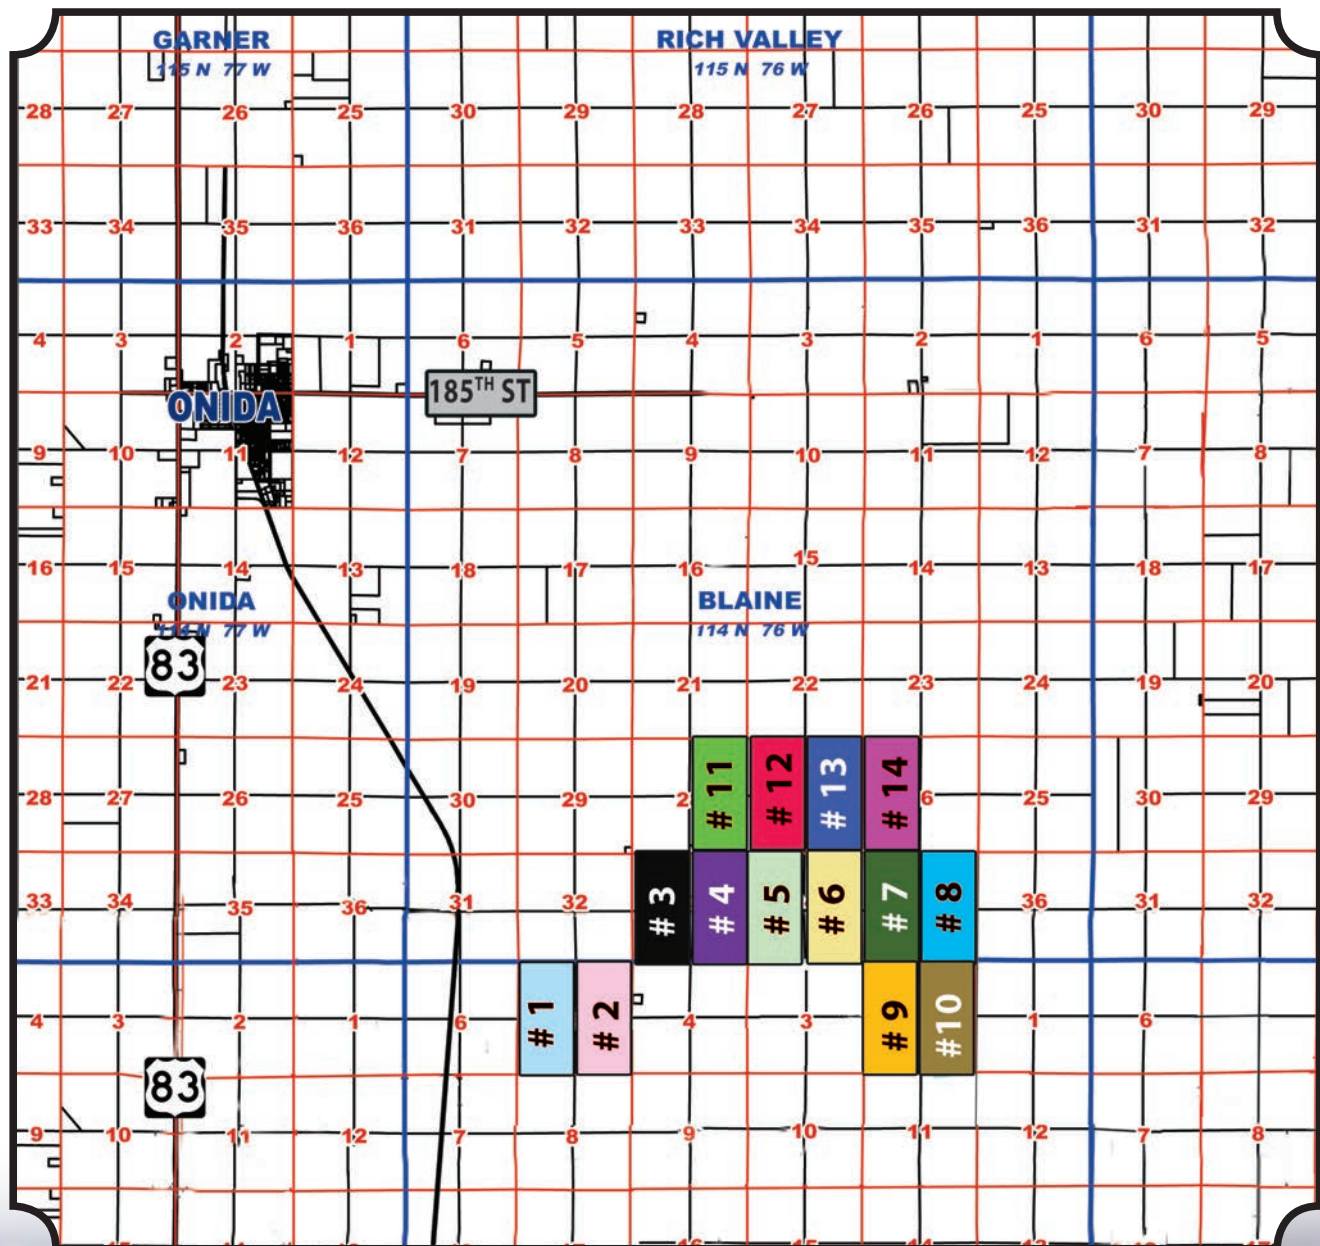

1998

The Nelson Family's Sully County history began in 1883 as Swedish immigrants making the trek from the east coast to Chicago, and later to Spink County, SD. Enticed by homestead and tree claims in Sully County, Dean's ancestors settled in Blaine Township with the original quarter section in NW 28-114-76 becoming their homestead. President Benjamin Harrison signed the Homestead Certificate for the Nelsons' 160 acres in 1890.

Dean was born in Onida in 1926 and grew up on the Nelson family farm helping his father by driving tractors on steel wheels at such a young age he could hardly reach the pedals. During the summer he would drive a Model A truck when they were haying the fields. From harvesting to livestock production (and having the sheep shearers teach him to castrate lambs with his teeth – a fact he was oddly proud of) – he loved being a farmer and rancher. He was a brilliant businessman, gambler, world traveler, pilot, father, and friend to so many people he met throughout his adventurous life. Dean was a well-respected third generation farmer and earned numerous accolades, including the Century Farm in 2008. Although he traveled around the world from Japan to Egypt and many countries in between, his home and his legacy remains in the heart of Sully County.

#### Auctioneers Notes:

Do not miss this extraordinary sale of the land legacy of Dean Nelson; an incredible 4,467.58-acres of prime farmland! This land is all contiguous and bodes solid County road access. It is a rarity to find such productive ag land --"farmed from one end of the field to the other without interruption or impediment!" Ample grain marketing opportunities are available. Sully County, SD, is home to two large grain elevators, an 80 million gallon/yr ethanol plant, and a 10,000 head cattle feedlot--all within a few miles of this property. This once in a lifetime offering will be parceled into fourteen tracts, providing prospective buyers the opportunity to buy acres that fit their needs.

## Terms:

1. A 10% nonrefundable earnest money payment at the conclusion of the auction, with balance due on or before closing. Closing shall occur on or before October 7th, 2022.
2. Possession at closing, subject to current lease terms.
3. A Buyer's Premium of 3% of the successful bid will be used to establish the final purchase price. The premium will be added to the successful bid amount, along with applicable state sales tax.
